

Wrangler-CAM (fixed mount)

Price: **\$299.00**

SKU NTV-KIT613

The Wrangler-CAM includes a full color camera with harness and custom bracket which mounts directly to the spare wheel mount in Jeep Wranglers. The camera is positioned to view through the spare wheel (through the spokes).

This camera has a fixed mount and is designed only for an OEM spare wheel.

This camera doesn't have Parking Assist Lines.
