The TCR-FORD1 Harness (Tailgate-Camera Replacement) kit easily adds an aftermarket camera to the OEM reverse camera harness on select Ford trucks where a topper has been added, or the bed has been removed. Built-in line with this harness is a composite-differential converter to gain you the best possible quality (and OEM-proper) signal to the screen.

This kit inlcudes a 5" piece of industrial, waterproof heatshink tubing to add over the RCA/power connections once complete.

***NOTE: This kit is applicable to:***

***- 2015 F150s***

***- '17+ F150s with PUSH-BUTTON START (only),***

***- '19 RANGER (all, except chassis-cab: TCR-FORD2)***
