Price: **\$50.00**

 manufacturer
NAV-TV

 SKU NTV-HAR342  weight
1.00 Lbs

 market
USA, Rest of
World, Europe

 UPC/EAN
00635510694724

The RGB-GM204 harness interfaces a backup camera and additional video input to the factory screen in select GM vehicles. This install requires disassembly of the factory radio and should only be performed by a professional.

NOTE: This harness must be combined with [RGBv2 \(KIT885\)](#) for full functionality. The RGBv2 is a universal (RGBS conversion) interface, but when combined with vehicle specific T-Harnesses, make the installation simple for select vehicles.

Car Radio Versions
