**[W205-RVC / NTV-KIT580 WAS REPLACED WITH THE NEW KIT W205-N RVC / NTV-KIT703.](#)**

The W205-RVC Kit allows the user to add a backup camera input (with active parking lines!) and 1 video input (usually for a front camera) to the factory media screen in 2015 Mercedes vehicles with the **NEW** infotainment system. Installation is performed entirely behind the radio (disc player).

**Note:** Some 2015 Mercedes vehicles still use the infotainment system from 2014 (and older) vehicles. In order to be 100% sure, please send a picture of the radio controls to your sales representative.
