NAV-TV

ID SKU NTV-KIT719

weight
2.00 Lbs

market
USA, Rest of World, Europe

UPC/EAN
00635510693079

The Metris-PKG interfaces an aftermarket rear camera and front camera (or aux video) into the 2016 Mercedes Metris full size van. All connections are made behind the factory screen. Forcing either camera is available via steering wheel buttons or wire-triggers if desired.

This SKU includes a NAV-TV CAM 7 (reverse camera).

Note: If the vehicle has an OEM reverse camera and you're adding an additional video source (front cam or aux video), you must use [NTV-KIT714 Metris F-CAM](#) instead of this kit.
