Bentley Head Unit Replacement kit for select Bentley vehicles. Replace your outdated or broken OEM radio easily and quickly with our Plug & Play kit which includes everything necessary for installation.

Features:

- Direct Replacement for original Bentley Radio (all hardware supplied in kit)
- Everything you need supplied in one kit (Radio is not included)
- Allows you to fit any aftermarket double-din sized unit
- Improves sound quality
- Retains the functions available on the original Bentley head unit (in easy to use format)
- Steering wheel functions (including tel call/end*) supports Alpine** / Kenwood/ JVC / Pioneer / Sony*** radios
- Designed and built in the USA using the latest technology
- 12 month warranty

* (Phone buttons are not supported on all radios.)
** (Currently not compatible with the ILX-F259, ILX-F309, INE-W977 & INE-W987 radios.)
*** (Currently not compatible with Sony radios manufactured in 2017 or newer.)
Note: Due to the overwhelming amount of different radio models, there is no way to verify steering wheel control compatibility for any specific radio model, though most radio models are compatible.

Note 2: Rear zone climate control on the Flying Spur can only be controlled from the HUR and not from the rear control panel.

This item is currently on backorder. When you purchase it, you will be placed on the waiting list, and orders will be filled in the order that they are received.
