Bentley Head Unit Replacement kit for select Bentley vehicles. Replace your outdated or broken OEM radio easily and quickly with our Plug & Play kit which includes everything necessary for installation.

Features:

- Direct Replacement for original Bentley Radio (all hardware supplied in kit)
- Everything you need supplied in one kit (Radio is not included)
- Allows you to fit any aftermarket double-din sized unit
- Improves sound quality
- Retains the functions available on the original Bentley head unit (in easy to use format)
- Steering wheel functions (including tel call/end*) supports Alpine** / Kenwood*** / JVC / Pioneer / Sony radios
- Designed and built in the USA using the latest technology
- 24 month warranty

* (Phone buttons are not supported on all radios.)

** (Currently not compatible with the ILX-F259, ILX-F309, INE-W977 & INE-W987 radios.)

*** (Currently not compatible with Kenwood and Sony radios manufactured in 2018 or newer.)

Note: Due to the overwhelming amount of different radio models, there is no way to verify steering wheel control compatibility for any specific radio model, though most radio models are compatible.
