The BlackVue DR900S is the highly anticipated, 4K dash cam from BlackVue. Bitrate and hardware have all been significantly improved but the biggest improvement comes from the highly requested bump in video resolution! Dash cam fans have been waiting for this for a long time now, and we're excited to say that it is finally here! The DR900S comes with the many features in the DR750S series such as WiFi, Cloud, Event Partitioning, 4k UHD 30FPS and "Extreme" recording modes.
