

RGBv2

Price: **\$380.00**

manufacturer
NAV-TV

ID SKU NTV-KIT885

weight
1.00 Lbs

market
USA, Rest of
World, Europe

UPC/EAN
00635510694663

The RGB v2 adds an aftermarket backup camera to the factory navigation screen in select RGB-based navigation-equipped vehicles. A secondary video input is included on the RGB module and can be viewed at any time by supplying power to an input wire (optional.)

NOTE: This kit replaces KIT038, but functions the same. Use vehicle selector for compatibility.

Some vehicle-specific T-Harnesses are available to combine with this interface, see 'Related' below.
