 weight
0.00 Lbs

 market
USA

BlackVue DR750-2CH IR LTE monitors both the front and the interior of your vehicle in Full HD, making it ideal for taxi or rideshare (Uber, Lyft) drivers. The front camera records the road ahead while the interior IR (infrared) camera captures every detail of the cabin, even in pitch black lighting conditions. With its built-in 4G LTE, stay connected and add a layer of protection to your car with BlackVue Cloud.
