

VFC-RR (RSE) Modification (service)

Price: **\$849.99**

manufacturer
NAV-TV

ID SKU NTV-MOD006

weight
10.00 Lbs

market
USA, Rest of
World, Europe

UPC/EAN
00635510693871

This modification is used for extending the video from the OEM RSE (rear seat entertainment) screens. ***This modification will add 1 RCA for single video output, which will duplicate any RSE video playing (on rear monitors) for viewing on the front NAV screen.***

After receiving the RMR# (Radio/MOD/Repair) and filling out the RMR form (below), the unit must be packaged thoroughly and sent to NAV-TV to be modified at the board level, tested and sent back with the proper components. There is a 3-DAY turn-around for this process.

Note:

NAV-TV will not take any responsibility for a unit that is shipped without adequate packing materials or insurance.

Contact NAV-TV with questions on this process or for compatibility at 954-323-1010.
